

 **HOMES**

Dear Friend,

For 25 years, H.O.M.E.S. Inc. has been on a mission to provide quality community and economic development for at-risk/disadvantaged lower-income Broward County Residents and Neighborhoods. The generous support of corporate partners, foundations, and the community continues to be an enabling force helping us to empower youth, seniors, and families towards self-sufficiency.

I would like you to join our Corporate Partners Program, a network of companies creating home. The Corporate Partners Program directly links the support from companies to impact and improve the lives of underserved and at-risk residents in Broward County.

It offers both marketing and networking opportunities for members, including tickets and recognition opportunities at fundraising events, program events, and gratitude receptions.

As a Corporate Partner, your company will be promoted in our wide-reaching marketing materials, including our e-newsletters, website, annual report, sponsor boards, and printed materials throughout the year.

Should you have any questions regarding our Corporate Partners Program, please visit our website www.homesfl.org, give us a call at 954.563.5454, or email development@homesfl.org. We look forward to you joining us to impact the lives of those in the most need.

Making a difference every day,

Linda Taylor, CEO
